VOCATION

With 14 years of dedicated ministry, I have been blessed to shepherd the community entrusted to me by God. I am profoundly grateful and enthusiastic about sharing the grace received, which continually inspires my talent and spiritual leadership within a growing church. This journey has been marked by immense growth and learning, where I have witnessed the transformative power of faith in the lives of the young faithful. It is a humbling and rewarding experience to guide and support others on their spiritual journeys. I am filled with a deep sense of fulfillment and joy and am excited to continue this journey of shepherding and leading, confident in God's guidance, particularly through foreign missions.
